

AN ORDINANCE TO REMOVE THE FORT
WAYNE WATER UTILITY FROM THE
JURISDICTION OF THE INDIANA UTILITY
REGULATORY COMMISSION.

WHEREAS, the City of Fort Wayne provides water service to its ratepayers through the Fort Wayne Water Utility; and

WHEREAS, the Fort Wayne Water Utility is a municipal utility governed by Indiana Code Article 8-1.5; and

WHEREAS, currently the City must obtain approval by the Indiana Utility Regulatory Commission ("IURC"), in addition to the Board of Public Works, Common Council and Mayor, for all water rates and charges and its issuance of stocks, bonds, notes or other evidence of indebtedness in connection with the provision of water service to the ratepayers of the City of Fort Wayne; and

WHEREAS, the City has the option of removing itself from the jurisdiction of the IURC for the approval of rates and charges and the issuance of stocks, bonds, notes or other evidence of indebtedness under Indiana Code Section 8-1.5-3-9.1; and

WHEREAS, the Common Council of the City of Fort Wayne believes exercise of this option to remove itself from the jurisdiction of the IURC would be beneficial to the ratepayers of the City of Fort Wayne because it would eliminate the costs and delays associated with IURC reviews, and all decisions concerning just and reasonable rates and charges and the appropriate issuance of stocks, bonds, notes or other evidence of indebtedness would still be made by the Common Council, after approval by the Board of Public Works and Mayor.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON
COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. The Fort Wayne Water Utility shall be removed from the jurisdiction of the Indiana Utility Regulatory Commission for the approval of rates and charges and the issuance of stocks, bonds, notes or other evidence of indebtedness pursuant to Indiana Code 8-1.5-3-9.1.

SECTION 2. At least thirty (30) days prior to the final vote on this Ordinance, the Common Council shall mail notice of two (2) public meetings, each to be held at a different location, for the purpose of explaining the removal process under State law and for hearing comments of the public on this issue.

SECTION 3. A. This Ordinance shall take effect sixty (60) days after adoption by the Common Council and any and all necessary approval by the Mayor unless within that sixty (60) day period the Common Council receives a petition which: 1.) is signed by ten percent (10%) or 500 of the registered voters of the City, whichever is less; and 2.) requests the Common Council to submit the question of removal from the IURC to the registered voters of the municipality at the next election.

B. Should the Common Council receive such a petition in proper form, it shall timely submit the following public question to the registered voters of the City: "Shall the municipally owned Utility be taken out of the jurisdiction of the Indiana utility regulatory commission for the approval of rates and charges and of the issuance of stock, bonds, notes or any evidence of indebtedness?"

1 C. Should the public question be presented to
2 the registered voters, this Ordinance shall not take
3 effect until removal is approved by the majority of those
4 voting on the question. If the majority of those voting
5 vote against removal, the Water Utility shall remain
6 under the jurisdiction of the IURC and this Ordinance
shall not take effect.

Sandra E. Kennedy
City Clerk

The City of Fort Wayne

Paul Helmke, Mayor

TO: Common Council Members

FROM: Terry L. Atherton, Director of Utilities 

DATE: January 9, 1995

SUBJECT: Removal of Water Utilities from IURC Jurisdiction

Background

J-95-01-04

City Utilities operates water, sewer and stormwater utilities. The rates and charge of these utilities are approved by the Board of Public Works and the City Council. In the case of the Water Utility, only, these rates and charges are also subject to the approval of the Indiana Utility Regulatory Commission, a process that for the most recent rate case cost the Utility more than \$140,000.

Purpose

The City Utilities Citizens Advisory Committee has recommended that the expense and duplication of oversight is inefficient and that the City should consider removing itself from the jurisdiction of the IURC. Additionally, Council has indicated a preference for more frequent evaluations and adjustments of Water Utility rates.

Effect

If Council should adopt an ordinance to remove the Water Utility from the jurisdiction of the IURC, two public meetings within 30 days must be held for the purpose of explaining the process. If no successful objections are received, the ordinance is effective 60 days after approval.

Once removed from the IURC jurisdiction, the City may more effectively evaluate rate adjustments.

If this ordinance is not passed, the Water Utility will remain under the jurisdiction of the IURC for rates and charges.

Members of the Fort Wayne City Council:

I am John Stafford, Vice President of Government and Community Affairs, with the Greater Fort Wayne Chamber of Commerce. I come before you this evening in support of the ordinance to remove the Fort Wayne Water Utility from the jurisdiction of the Indiana Utility Regulatory Commission (IURC). It is our belief that this proposal can be of benefit to both the community and to the utility.

The IURC process was designed to provide balance between the ratepayers and the stockholders of an investor-owned utility. In the case of a municipal utility the stockholders and the ratepayers are essentially one in the same. There are no "profits" to be provided to the stockholders as dividends. The "directors" of a municipal utility are you, the public officials, elected to represent the interests of both the ratepayers and of their utility. In such a situation, it is difficult to understand the need for an additional third party mediator designed to balance reasonable profits and reasonable rates.

There are situations where the IURC rate review criteria have actually worked counter the long term interests of this community. Should the water utility fall into a negative cash position, a situation which has occurred from time to time, the IURC treats recovery back to a positive cash position as a responsibility of the stockholders. This makes sense if one is regulating an investor-owned utility — restoring cash balances should come before distribution of dividends. However, the Fort Wayne Water Utility is owned by ratepayers not stockholders. These ratepayers, through you as their representatives, have only one logical way to restore cash balances — adjusting the relationship between expenses and revenues. Unfortunately, it is our understanding that the IURC process has some difficulty distinguishing between the investor and municipal-owned utilities.

826 Ewing Street

FAX: 219-426-7232

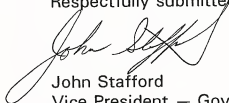

It was frequently noted during last summer's water rate increase discussion that more frequent, less dramatic rate adjustments would be preferable to the "rate shock" caused by larger, less frequent increases. The Chamber strongly supports a change to more frequent review of utility rates. Larger increases can have a significant financial impact on major customers. Those impacts are more acceptable if done incrementally. Removal from the IURC's jurisdiction, and the concurrent reduction in administrative costs associated with the process, should facilitate the more regular review of the adequacy of current water rates relative to the locally determined needs of the utility.

We hope that, as a secondary benefit, removal from the IURC jurisdiction will lead to an even greater involvement by City Council. Periodic discussions by the Council regarding the utility's financial objectives and a comparison of current finances reviewed against these objectives would put rate increase discussions in a more enlightened context.

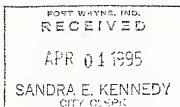

There have been, from time to time, concerns raised that without IURC oversight, the City of Fort Wayne would be inclined to siphon water utility revenues and direct them to the Civil City. However, since the late 1980's the financial relationship between the Civil City and the City utilities has been separated. A cost allocation model was implemented which fairly apportions shared expenses between the two entities. This step was taken independently by the City and not at the request of the IURC.

In conclusion, we believe that the fundamental question is one of home rule. The local officials involved in the utility rate-setting process are the mayor, the Board of Public Works and you, the City Council. All but the Board of Public Works are elected, and the Board serves solely at the pleasure of the mayor. You are accessible to the local ratepayers, you are directly accountable to the citizens through the election process, you are in the best position to understand our water utility needs and balance those needs with other community interests, your proceedings are generally understandable and well covered by the local media, and there is no evidence to indicate that you have abused the ratepayers to benefit the utility. In our opinion, the benefits of IURC oversight just does not appear to justify the costs.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "John Stafford", is written over the typed name.

John Stafford

ALLEN COUNTY
AND SUPERIOR COURTS
ELECTION BOARD

April 4, 1995

Fort Wayne City Council
Sandra E. Kennedy, City Clerk
City-County Building First Floor
One Main Street
Fort Wayne, Indiana 46802

SUBJECT: (Indiana Code 8-1. 5-3-9.1)
Petition to Fort Wayne City Council to submit a
Referendum Question, a Local Public Question, of the
removal of Fort Wayne Water Utility from the jurisdiction
of the Indiana Utility Regulatory Commission, to the
Election Board to be placed on the ballot at the next
general election to be held on November 7, 1995.

Many Fort Wayne residents, registered voters, property owners, and
utility users have united as a group, known as The Local City Voters
Group.

The Group of Local City Voters believe the removal of the Fort Wayne
Water Utility from the Indiana Utility Regulatory Commission is such
a very important issue that will affect all of the people of Fort
Wayne in the future, therefore, the voters should be given the
privilege and personal right of voting on this important Local Public
Question.

As Chairman of this Group of Local City Voters, I know this issue
of removal of our Fort Wayne water utility from state regulation
is an important concern to many Fort Wayne residents, particularly
those who are retired and on a fixed income.

The enclosed copy of our petition consisting of 50 pages contains
approximately 900 signatures. Only 500 signatures are required
for this petition. The number of signatures suggest the importance
the question of removal of Fort Wayne Water Utility from the Indiana
Utility Regulatory Commission is to so many Fort Wayne residents.

Please review the enclosed petition and submit the Referendum of
A Local Public Question to the Allen County Election Board by
August 1, 1995 for the next general election to be held on Tuesday,
November 7, 1995.

Sincerely,

Sean Collentine

collateral attack upon the decision of the municipal legislative body or order of the court is permitted.

(f) If the court sustains the petition, or if the petition is sustained on appeal, the municipal legislative body shall set the rates and charges in accordance with the decision of the court. [P.L.77-1991, § 2.]

Effective Dates. P.L.77-1991 contains no effective date provision. Pursuant to IC 1-1-3-3, the section takes effect July 1, 1991.

8-1.5-3-9. Removal from jurisdiction of commission — Voter approval. — (a) This subsection applies to a municipally owned utility that before June 1, 1987, was taken out of the jurisdiction of the commission for the approval of rates and charges. A utility to which this subsection applies is removed from the jurisdiction of the commission for approval of the issuance of stocks, bonds, notes, or other evidence of indebtedness.

(b) Except as provided in subsection (a), a municipal legislative body that wants to be taken out of the jurisdiction of the commission for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness may submit the following public question to the registered voters of the municipality at the next election in the form prescribed by IC 3-10-9-4;

"Shall the municipally owned utility be taken out of the jurisdiction of the utility regulatory commission for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness?"

(c) A municipal legislative body shall certify the public question to the county election board of the county that contains the greatest percentage of population of the municipality under IC 3-10-9-3 and submit the question under subsection (b) if it receives a petition that:

- (1) Is signed by five percent (5%) of the registered voters of the municipality, as determined by the county election board; and
- (2) Requests that the municipally owned utility be removed from the jurisdiction of the commission for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness.

(d) If a majority of those voting favor taking the municipally owned utility out of the jurisdiction of the commission, the utility:

- (1) Is removed from the jurisdiction of the commission for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness; and
- (2) Shall mail written notice of the withdrawal from commission jurisdiction to the commission within thirty (30) days after the utility's withdrawal. [IC 8-1.5-3-9, as added by Acts 1982, P.L. 74, § 1; P.L.124-1987, § 1; P.L.10-1988, § 217; P.L.23-1988, § 62.]

8-1.5-3-9.1. Water utilities owned by second class cities and utilities in third class cities and towns removed from jurisdiction of commission — Approval of rates and charges and bond issues — Adoption of ordinance. — (a) This section applies to the following:

- (1) Water utilities that are owned or operated by second class cities.
- (2) Third class cities.
- (3) Towns.

(b) In addition to section 9 [IC 8-1.5-3-9] of this chapter, a municipally owned utility to which this section applies may be removed from the jurisdiction of the commission for the approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness, if the municipal legislative body adopts an ordinance removing the utility from commission jurisdiction. The municipal legislative body shall, at least thirty (30) days before the final vote on the ordinance, mail written notice of the meeting to all ratepayers of the utility and to the commission. For a second class city the municipal legislative body must hold two (2) public meetings before the final vote on an ordinance removing the utility from commission jurisdiction may be adopted. An explanation of the removal process must be provided at each public meeting under this section. Each public meeting must be held in a different location.

(c) The ordinance described in subsection (b) takes effect sixty (60) days after adoption by the municipal legislative body.

(d) The question of removal from commission jurisdiction shall be submitted to the registered voters of the municipality if, within the sixty (60) day period described in subsection (c), the legislative body receives a petition:

- (1) That is signed by at least ten percent (10%) or five hundred (500) of the registered voters of the municipality (as determined by the county election board), whichever is less; and
- (2) That requests the legislative body to submit the question of removal from commission jurisdiction to the registered voters of the municipality at the next election.

The municipal legislative body shall certify the public question in subsection (e) to the county election board of the county that contains the greatest percentage of population of the municipality under IC 3-10-9-3.

(e) If the legislative body receives a petition described in subsection (d) in the proper form, the legislative body shall submit the following public question to the registered voters of the municipality at the next election in the form prescribed by IC 3-10-9-4:

"Shall the municipally owned utility be taken out of the jurisdiction of the Indiana utility regulatory commission for the approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness?"

The legislative body shall mail written notice of the referendum to the commission at least ten (10) days before the date of the election.

(f) If a majority of those voting on the question described in subsection (e) favor taking the municipally owned utility out of the jurisdiction of the commission, the utility is removed from the jurisdiction of the commission

for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidences of indebtedness.

(g) If the legislative body receives a petition in proper form under subsection (d), the ordinance does not take effect until after removal is approved by a majority of those voting. If a majority of those voting vote against removal, the utility remains under the jurisdiction of the commission and the ordinance does not take effect.

(h) In addition to the notice required by subsection (b), if the municipal legislative body adopts the ordinance, described in subsection (b), the municipal legislative body shall mail written notice of the withdrawal from commission jurisdiction to the commission within thirty (30) days after the ordinance becomes effective.

(i) Notwithstanding this section or section 9 of this chapter, the commission may require a municipally owned utility that generates electric power to provide information to the permanent forecasting group under IC 8-1-8.5-3.5.

(j) This section does not affect the obligations of a municipally owned utility under IC 8-1-2.3, IC 8-1-8.5, IC 8-1-22.5, or IC 8-1.5-3-14. [P.L.82-1988, § 6; P.L.77-1991, § 3.]

Amendments. The 1991 amendment substituted the present language of subsection (a) for "This section applies to third class cities and to towns", and in subsection (b) inserted "to which this section applies" in the first sentence and added the third, fourth and fifth sentences.

Effective Dates. P.L.77-1991 contains no effective date provision. Pursuant to IC 1-1-3-3, the section takes effect July 1, 1991.

Cross References. Classification of municipalities, IC 36-4-1-1.

8-1.5-3-9.5. Return to jurisdiction of commission. — (a) This section applies to municipally owned utilities that are withdrawn from commission jurisdiction under section 9 [IC 8-1.5-3-9] of this chapter, including a municipally owned utility described in section 9(a) [IC 8-1.5-3-9(a)] of this chapter.

(b) A municipal legislative body that wants to return a municipally owned utility to the jurisdiction of the commission for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness may submit the following public question to the registered voters of the municipality at the next election in the form prescribed by IC 3-10-9-4:

"Shall the municipally owned utility be returned to the jurisdiction of the utility regulatory commission for approval of rates and charges and of the issuance of stocks, bonds, notes, or other evidence of indebtedness?"

(c) A municipal legislative body shall certify the public question to the county election board of the county that contains the greatest percentage of population of the municipality under IC 3-10-9-3 and submit the question under subsection (b) if it receives a petition that:

(1) Is signed by five percent (5%) of the registered voters of the municipality, as determined by the county election board; and

FILED
ELECTION BOARD

April 5, 1995

Fort Wayne City Council
Sandra E. Kennedy, City Clerk
City-County Building First Floor
One Main Street
Fort Wayne, Indiana 46802

SUBJECT: (Indiana Code 8-1. 5-3-9.1))

Petition to Fort Wayne City Council to submit a Referendum Question, a Local Public Question, of the removal of Fort Wayne Water Utility from the jurisdiction of the Indiana Utility Regulatory Commission, to the Election Board to be placed on the ballot at the next general election to be held on November 7, 1995.

Many Fort Wayne residents, registered voters, property owners, and utility users have united as a group, known as The Local City Voters Group.

The Group of Local City Voters believe the removal of the Fort Wayne Water Utility from the Indiana Utility Regulatory Commission is such a very important issue that will affect all of the people of Fort Wayne in the future, therefore, the voters should be given the privilege and personal right of voting on this important Local Public Question.

As Chairman of this Group of Local City Voters, I know this issue of removal of our Fort Wayne water utility from state regulation is an important concern to many Fort Wayne residents, particularly those who are retired and on a fixed income.

The enclosed ^{additional} copies of our petition consisting of 28 pages contains approximately 358 signatures. Only 500 signatures are required for this petition. The number of signatures suggest the importance the question of removal of Fort Wayne Water Utility from the Indiana Utility Regulatory Commission is to so many Fort Wayne residents.

Please review the enclosed petition and submit the Referendum of A Local Public Question to the Allen County Election Board by August 1, 1995 for the next general election to be held on Tuesday, November 7, 1995.

Sincerely,

Sean Collentine

One Main Street
Fort Wayne, Indiana 46802

SUBJECT: (Indiana Code 8-1. 5-3-9.1),
Petition to Fort Wayne City Council to submit a
Referendum Question, a Local Public Question, of the
removal of Fort Wayne Water Utility from the jurisdiction
of the Indiana Utility Regulatory Commission, to the
Election Board to be placed on the ballot at the next
general election to be held on November 7, 1995.

Many Fort Wayne residents, registered voters, property owners, and
utility users have united as a group, known as The Local City Voters
Group.

The Group of Local City Voters believe the removal of the Fort Wayne
Water Utility from the Indiana Utility Regulatory Commission is such
a very important issue that will affect all of the people of Fort
Wayne in the future, therefore, the voters should be given the
privilege and personal right of voting on this important Local Public
Question.

As Chairman of this Group of Local City Voters, I know this issue
of removal of our Fort Wayne water utility from state regulation
is an important concern to many Fort Wayne residents, particularly
those who are retired and on a fixed income.

The enclosed ^{additional} copies of our petition consisting of 28 pages contains
approximately 358 signatures. Only 500 signatures are required
for this petition. The number of signatures suggest the importance
the question of removal of Fort Wayne Water Utility from the Indiana
Utility Regulatory Commission is to so many Fort Wayne residents.

Please review the enclosed petition and submit the Referendum of
A Local Public Question to the Allen County Election Board by
August 1, 1995 for the next general election to be held on Tuesday,
November 7, 1995.

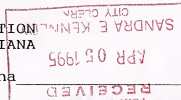

Sincerely,

Sean Collentine

PETITION
FOR A REFERENDUM OF A LOCAL PUBLIC QUESTION
TO THE CITY COUNCIL OF FORT WAYNE, INDIANA

RECEIVED

APR 02 1995

SANDRA E. KENNEDY
CITY CLERK

Date Received by the City Council of Fort Wayne, Indiana

We, the undersigned registered voters and residents of Fort Wayne, Indiana, do hereby petition the City of Fort Wayne Common Council to submit the question of removal of Fort Wayne Water Utility from the jurisdiction of the Indiana Utility Regulatory Commission as provided in Indiana Code 8-1.5-3-9.1 to the registered voters of Fort Wayne, Allen County, and to further certify this Local Public Question to the Allen County Election Board, by August 1, 1995, as a Referendum Question, to be known as Local Public Question, on the ballot at the next general election to be held on Tuesday, November 7, 1995.
